## 1. ADMISSION REQUIREMENTS

Children between the ages of six (6) and seventeen (17) years, both inclusive, must attend a public or private school. A parent/guardian or legal custodian who believes that their child is not ready to attend school at the designated age of mandatory attendance may make application to the principal of the school which the child would attend for a one (1) semester or one year deferral in required attendance. Under certain circumstances the Board may temporarily excuse students from complying with the provisions of the compulsory attendance law. **Age requirements for school entrance are as follows:** For the 2014-2015, new kindergarten students must turn 5 years of age by August 15, 2014 in order to be enrolled in school. No child shall be eligible to enter first grade without having attended and successfully completed an approved kindergarten program.

Students should live in the CES zone to attend Charlotte Elementary School. In order to meet these criteria, the student must reside with the parent or legal guardian and the 911 address can be verified (with no less than two pieces of documentation/utility bill, lease agreement, etc.). **If a student does not live in the CES zone, the legal guardian must request special permission by completing an out-of-zone application. In order for out-of-zone attendance to be approved, space must be available at the out-of-zone school. Additionally, students who are attending an out-of-zone school MUST maintain acceptable attendance and behavior records. Parents/guardians must also maintain a positive working relationship with the school staff and administration.**

The name used on the records of a student entering school must be that shown on the birth certificate unless evidence is presented that such name has been legally changed through a court of law. If the legal guardian does not have, or cannot obtain, a birth certificate then the name used on the records of such student will be that as shown on documents which are acceptable to the school principal as proof of date of birth.

In order to enroll in school, a student must provide proof of immunization against polio, diphtheria, tetanus, whooping cough, measles, and mumps. Evidence of a current (within one year) medical examination, signed by your health care provider, must also be provided. Children entering a school for the first time must have a valid birth certificate (to show positive proof of the child's date of birth). Satisfactory proof of age must be provided.

All students are required to have a social security number. The social security number will be recorded on the permanent record.

## 2. OPENING / CLOSING OF SCHOOL DAY

The building will be open at 7:15 a.m. each school day. Students who arrive before 7:15 a.m. will be sent to and supervised in the before school day care program and parents will be charged a drop-in fee of \$12.00. To insure the safety of our students we ask that you only drop off students next to the curb. Do not drop students off in the Fire Lane. Do not park your car under the loading canopy and go into the school as additional parking is provided for visitors.

The morning bus room will be in the gymnasium and will operate from 7:15 a.m. until the last child is picked up by his/her teacher – 7:45 a.m. **Our students are required to participate in quiet reading time each morning in the bus room.** Therefore, each student must have a book for reading during this time. Acceptable books include his/her reading textbook, a library book, or a similar book from home. Students who are not prepared will be warned and may be moved away from his/her group to a quiet area.

It is necessary for the school to have reliable information about how your child is to go home in the afternoon. You will be asked by the teacher to provide this information when your child enters school. After that, any change in the regular routine (such as being picked up early, or by a different person), *requires a note from the parent. If we do not have a note, we will send your child home the usual way.* Car riders will be dismissed at 2:55 p.m. each day. Car riders are dismissed from their classrooms to line up quietly and orderly in the hallways outside the main office. **The parents of regular car riders must have a CES Car Rider Tag. Those without tags will be required to come in and check out his or her child through the office.** *We respectfully request that all parents remain in their cars so that we may better expedite the car rider line. Those who come in may be required to formally check out his/her child/children.* **Car riders who are not picked up by 3:20 p.m. will be sent to our after-school day care and a drop-in fee of \$12.00 will be charged.**

## 3. EXTENDED CHILD CARE PROGRAM

A school age child care program is offered before and after regular school hours and during the summer months. The program provides educationally enriching quality care for students during the hours when there may be no adult supervision in the home. Children have the opportunity to engage in activities which benefit them emotionally, physically, and educationally. A special time is allotted for homework. Hours during the school year are 6:00 a.m. to 7:15 a.m. and 3:15 p.m. to 6:00 p.m. Summer hours are 6:00 a.m. until 6:00 p.m. Information related to applications and

fees is available upon request. **Contact: Cindy Akin, Director at 740-5811 after 3:00.**

## 4. ATTENDANCE

One of the most important factors in the overall development of students is regular school attendance. Student attendance affects the nature and amount of classroom instruction and the group process of the class as a whole. Regular attendance is an obligation placed on parents and schools by state law. Charlotte Elementary will work closely to enforce all policies set by the State of Tennessee and the Dickson County Board of Education. For the sake of your child's education, please schedule family trips and medical appointments outside of school hours. Excessive absences will be addressed by the classroom teacher, principal, and attendance supervisor on an individual basis. **When a student must be absent, parents are asked to send in a signed note with your child the day he/she returns to school stating the reason for the absence.** Please review the attendance section of the Dickson County Student Handbook for details and a list of acceptable excuses for being absent from school.

**Unexcused Absences:** Upon the third unexcused absence from school, the principal or assistant principal will contact the parent/guardian. A letter will also be sent detailing the Truancy Policy of the Dickson County School System. Once the fourth unexcused absence is recorded the school will again contact the parent/guardian and the Board of Education will be notified. Upon the fifth unexcused absence, parents/guardians will receive a letter containing a compliance date from the Dickson County Board of Education. The next unexcused absence will be reported to the Board of Education, and students and parents/guardians will be in non-compliance with the Truancy Laws of Tennessee. A petition to court will follow.

Unexcused absences and absences in excess of eighteen (18) days each year must be made up in a board approved manner. This may include assignments to the Quiet Room and/or Saturday School. **Parents may be required to provide a doctor's note after 9 absences and/or early checkouts OR when their child has been absent 10% or more of the school year to date.** SEE Policy 6.200 for details.

## 5. EARLY DISMISSAL

Students will not be permitted to leave school premises during the school day without request of the parent/guardian and the approval of the principal. Siblings under the age of eighteen are required to have a signed note from a parent/guardian stating they have permission to check out a younger sibling. **Tennessee law requires that a student leaving school grounds early should be signed out through the office.** This is so we can be certain the child is being transported safely and legitimately from school. Our aim is to protect the child, not to inconvenience

the parent. **Students will be notified from the office upon arrival of the parent that they are being checked out for the day. Parents are asked to remain in the office and not travel to the child's classroom as unannounced visits often take the teacher away from instructional duties.**

We ask that you refrain from checking your child out after 2:45. This is the time when children are preparing to dismiss for the day.

## 6. TARDINESS

Recognizing that punctuality and the opportunity to learn affect the academic progress of a student at school, the Dickson County Elementary Division has adopted the following tardy and early check out procedure. School begins promptly at 8:00 a.m. Any student arriving after the 8:00 a.m. bell is considered tardy and will be issued a tardy slip. School ends at 3:00 p.m. Students leaving before this time will be documented as checking out early. Tardy and early checkout slips are filed and maintained in the office. Excused tardiness and check outs will not be counted against a student.

Students who are chronically late or checked out early for *unexcused reasons* will be assigned the following consequences:

**3<sup>rd</sup> Unexcused tardy/Check out** – Written reminder of policy to parent

**4<sup>th</sup> Unexcused tardy/Check out** – Second written reminder with a post script from principal/assistant principal

**5<sup>th</sup> Unexcused tardy/Check out** – Thirty minutes of recovery time and principal/assistant principal makes a telephone call to parent

**6<sup>th</sup> & 7<sup>th</sup> Unexcused tardy/Check out** – Thirty minutes of recovery time and a parent conference is requested at 7<sup>th</sup> occurrence.

Subsequent Unexcused tardy/early check outs – School Attendance Review Committee will meet to discuss the issue and make recommendations to remedy the problem. The parent may be invited to attend this meeting. Principal should forward minutes of this meeting to the Board of Education. Student may be required to continue to recover unexcused time.

**The cycle starts over at the beginning of the second semester. (January)**

**Acceptable reasons for tardiness and early checkouts:**

- \*\*Student's personal illness
- \*\*School nurse or school personnel request early pickup of student
- \*\*Death in immediate family/attending a funeral
- \*\*Proof of required court appearance of student
- \*\*Recognized religious holiday/organized cultural and educational activities
- \*\*Parent or custodian leaves or returns from active military service
- \*\*Physician statement related to the day of tardy or early check out
- \*\*Prior principal approval due to family travel plans or parent business affairs
- \*\*Other reasons deemed acceptable by the principal

***Perfect Attendance: Policy 6.2052***

***Annual perfect attendance will mean being present each day for the entire school day.*** This means students who check out early or check in late will not be recognized as having perfect attendance for the school year.

## 7. WITHDRAWING FROM SCHOOL

Any student withdrawing from school must be cleared through the office. A withdrawal form may be obtained from the office and should be filled out by the parent/guardian. All outstanding debts (lost textbooks, library books, pictures, fundraiser balances, school lunch account, etc.) must be cleared before a report card and or transcripts will be forwarded to the new school.

## 8. ATTIRE & GROOMING REGULATIONS

Safety is a primary concern for all students in Dickson County. It is our belief that one's dress should reflect one's self dignity and should not be a disturbing influence on either the wearer or observer. Student, faculty, and staff members' dress and personal hygiene are essential elements for appropriate personal interaction in everyday life.

### **Rules:**

1. All students must remove hats upon entering the building.
2. Clothing selections must cover the midriff and back as well as be appropriate in length. (No short skirts or dresses or short-shorts allowed). Length can be no shorter than finger length when hands are held by the side. Tank tops and biking shorts are not acceptable attire for school. Sleeveless shirt tops must fit snugly around the arms and shoulder bands must be at least 2 inches in width to be acceptable. To make sure that shirts are long enough to cover the midriff, raise both hands above the head. No tummy should be showing.
3. Clothing should fit properly - not excessively tight or loose.
4. Under no circumstances should students wear clothing that is obviously too large. Drooping or sagging pants are UNACCEPTABLE. At no time is it appropriate for any underwear to be showing--either male or female students. Students who wear long-tailed shirts/t-shirts and shirts that fall below the bottom of the pocket should tuck them in.
5. No clothing or accessories will be allowed which advertises or promotes drugs, alcohol, sex, gang activity, violence, tobacco, or disrespectful attitudes. Students may not wear pants or shorts with writing on the backside of the garment.
6. Shoes should be durable and appropriate for active play as students attend recess daily and P.E. class twice each week. For general safety, sturdy footwear or shoes with laces are preferred and should be tied appropriately. Sandals should have a sturdy back strap on them. Footwear that is NOT permitted at

CES: Flip flops and flip-flop like sandals and “wheelies” (shoes with skating wheels in them).

7. Extreme hairstyles that detract from the educational setting are not allowed. Hair may not be dyed colors other than natural hair colors (i.e., No blue, green, pink, etc...).

8. When students violate the school dress code, faculty members will refer students to the office for disciplinary action. A written report of the infraction will be made and a copy will be sent home to the child’s parent to be signed.

9. Parents will be expected to assist the school by addressing any infraction of the school dress code with their child. Students who repeatedly disregard the dress code are subject to suspension from school.

## **9. STUDENT BEHAVIOR**

**At CES, we have 5 Basic Behavior Expectations that we live by:**

- 1) Follow the Golden Rule: Treat others (and their property) as you would like to be treated.
- 2) Listen to and follow directions the first time they are given.
- 3) Keep hands, feet and objects to yourself.
- 4) Walk quietly throughout the school on the right-hand side of the hallway with your hands behind your back.
- 5) Raise your hand and wait to be recognized when you need help or have a question or comment.

NOTE: Individual classroom teachers may have additional expectations that are unique to their classrooms. All CES students are expected to follow the behavior expectations set forth by the classroom teacher, the school and the Board of Education. Students who violate school rules are subject to disciplinary action as outlined in our school and district discipline policies.

## **10. TOYS & PERSONAL ITEMS / GUM**

Personal items including toys, video games, collectible cards, pets, etc. should not be brought to school unless specifically requested by a teacher. Any such items brought to school by students will be taken and held in the office until a parent/guardian comes for them. Chewing gum is not permitted in our school.

## **11. DAMAGE TO SCHOOL PROPERTY**

Damaging school property in any way will be met with suitable consequences. In most cases, the student will be expected to reimburse the school for whatever damage was done. Any property directly connected to the school, including buses, is covered by this rule.

## **12. WEAPONS**

The possession of any type of weapon (firearm or other object used for harm or destruction) on school property will not be tolerated. The weapon will be confiscated immediately, the authorities will be notified and, if necessary, the case will be petitioned to the proper court.

## **13. IN-SCHOOL SUSPENSION (ISS)**

Students who are sent to the office for disciplinary matters or repeated attendance violations may be required to spend time in in-school suspension or ISS. Students may be assigned to ISS by the principal, assistant principal or the principal designee. Placement in ISS may vary from as little as a few minutes to several days depending upon the severity of the infraction. A teacher or assistant will supervise students assigned to ISS at all times. **Any damage to school property while in ISS may be the responsibility of the child’s parents along with a fee to repair such damages.**

## **14. SATURDAY SCHOOL**

Students who are sent to the office for disciplinary matters or repeated attendance violations may be assigned to Saturday School. While one of the primary aims is to improve attendance, Saturday School assignments also allow us to discipline students without their removal from the regular classroom setting and to teach responsibility, both for their actions and for their consequences. Failure to attend Saturday School may result in suspension from school and/or referral to the Disciplinary Hearing Authority (DHA) panel for determination of proper placement.

## **15. CORPORAL PUNISHMENT**

Charlotte Elementary School reserves the right to administer corporal punishment, when it is deemed necessary by the principal or assistant principal. This is done as a last resort. Corporal punishment will always be administered in a humane manner by the principal or assistant principal and in the presence of another faculty member. If the parent/guardian **does not** want the use of corporal punishment with his or her child, such objection shall be made in advance, in writing, to the principal of the school. This notice from the parent is valid for a period of one year only. Suspension may be the alternative procedure used. Refer to Dickson County Student Handbook Policy 6.314.

## **16. BEHAVIOR / NEW DIRECTIONS ACADEMY**

Students who are violent or who chronically violate the school rules may be assigned to a class (or classes) at an off-campus site: New Directions Academy (NDA). NDA is for students who willfully and persistently violate school rules, commit a zero tolerance offense or

commit other violations that are serious enough to remove them from their home school. NDA is also an appropriate site for students whose Individualized Education Program (IEP) team recommends placement in order to best meet a student's special education needs.

The building principal, assistant principal, or designee may request a Disciplinary Hearing or a Functional Behavior Assessment at any time. Students may be assigned to NDA for the following reasons:

\*\*Special education students who are suspended due to zero tolerance issues.

\*\*Students who consistently exhibit inappropriate behavior and who refuse to adhere to reasonable rules, regulations and procedures necessary for the orderly operation of a school.

\*\*Students who (due to unique situations) are referred because this placement would be in the best interest of the student.

Special education students will be placed at NDA by the IEP Team. Regular education students are referred through the DHA process. A Disciplinary Hearing Authority consisting of three certified central office personnel adjudicates each individual case and makes a final recommendation for placement.

## 17. PUPIL TRANSPORTATION

All students who are zoned to Charlotte Elementary School have access to transportation services through Dickson County Schools. Students wishing to go home with another student must make those arrangements the night before. Students will not be allowed to make such arrangements at school and then call parents from the office. **As our buses are near capacity, students may not ride home on a bus other than their assigned bus. Administrative approval may be granted in an emergency situation.** Students are expected to follow all school rules as well as the bus rules while riding the bus. The school bus driver and the principal are jointly responsible for enforcing the behavior expectations of bus riders. The school bus driver will report any misconduct on the bus to the student's principal. **Misbehavior on the bus will be dealt with severely because it infringes on the safety of everyone** on the bus. Refer to the Dickson County Student Handbook for Bus Rules and Disciplinary Procedures (Policy 6.3080).

## 18. EMERGENCY SCHOOL CLOSING

Emergency school closings due to severe weather or for any other reason will be announced on local TV and radio stations. Parents should make sure that their children know where to go if they are sent home from school at some time other than the regularly scheduled time. If schools must be closed early, regular return bus service will be provided. Dickson County has implemented a new emergency parent notification plan. This is only for emergencies (not weather-related closings, etc.). For more information, go to

[www.dicksoncountyschools.org/parentnotify](http://www.dicksoncountyschools.org/parentnotify) or call 740-5818.

## 19. REPORTING PUPIL PROGRESS:

Each student will receive a report card four times a year. Report cards will be sent home approximately 7 days after the end of each nine weeks. Parents should take time to go over each area of the card, sign it and return it to school the following day. Kindergarten, First Grade and Second Grade report cards will show what skills a student has mastered. Emphasis will be placed on reading and math readiness as well as social behavior.

## 20. GRADING SCALE

The Dickson County Board of Education approved the following grading scale on May 26, 2005:

**A = 93 – 100**  
**B = 85 – 92**  
**C = 75 – 84**  
**D = 70 – 74**  
**F = Below 70**

## 21. PROMOTION AND RETENTION

The promotion or retention of a student is a decision that ultimately has to be made each year. The person who is most able to make this decision is the classroom teacher. In accordance with the policy of the Dickson County Board of Education, Charlotte Elementary invests the classroom teacher and the principal with the joint responsibility of deciding whether or not a student is to be promoted.

The teacher and principal, in making this decision, will consider each student's level of achievement, ability and maturity as well as the yearly attendance record. The primary measure will be the student's mastery of basic skills as set forth by the Tennessee Department of Education and as supplemented by the local education agency.

## 22. PARENT-TEACHER CONFERENCES

Throughout the school year, two formal Parent-Teacher conferences will be held. There may be times when you or your child's teacher request additional conferences. We welcome and encourage these interactions. As always, parents are welcome to visit the school or request a conference, but we must ask you to arrange these visits in advance so that they do not take a teacher away from the students and their instructional time.

## 23. PROVISION FOR TEXTBOOKS

A Textbook Agreement slip must be signed and returned to the teacher before textbooks and/or library books will be issued. Each student will be given a sufficient supply of textbooks for all subjects. At the end of a school

year, all books distributed to students must be returned to the teacher. A charge for the book will be issued if it has been damaged, lost or destroyed.

#### **24. SCHOOL SAFETY**

The safety and well-being of all students and staff is a priority. Charlotte Elementary School is equipped with video monitoring devices. All visitors are required check in and out through the main office and receive a visitor's pass upon entering. Unauthorized persons on school property will be asked to leave immediately. Failure to do so will result in the notification of the proper authorities.

A School Resource Officer is available to assist with unauthorized visitors and unbecoming conduct. ALL exterior doors to CES will remain locked for security. Visitors to the school must request permission to enter through the front entrance by stating their name, the child's name and the nature of their visit.

Tennessee State Law delegates to teachers and principals the duty and authority for maintaining disciplined climates in their respective classrooms and schools (TCA 49-6-3401). Response procedures and guidelines for emergencies and crises have been implemented for dealing with such emergencies as fire, explosion, tornadoes, earthquakes, bomb threats, bus wrecks, custody/kidnapping or invasions, weapons, drug and alcohol abuse, child physical/sexual abuse, severe weather, and other disasters which require an immediate response. School safety drills are conducted routinely with students and staff in order to be proactive and prepared for any such emergencies.

#### **25. CARE OF SICK AND INJURED STUDENTS**

Emergency cards will be completed at the beginning of school or when a student enrolls. **IF AN INJURY OCCURS:** In the case of a very minor injury, the student will be treated and will remain in school under observation. If school officials decide that medical treatment or consultation is required, parents/guardians or other designated persons will be notified. In the event of a serious injury, an ambulance will be called to transport the student to the hospital and parents or guardians will be notified. **IT IS VERY IMPORTANT THAT YOU GIVE US SEVERAL UP-TO-DATE PHONE NUMBERS SO WE CAN GET IN TOUCH WITH YOU IF NECESSARY.**

#### **26. MEDICATION**

Students must have written permission from a parent/guardian to take medication at school. Long term medicines such as Ritalin, Adderall, asthma medications, etc., require both

the parent/guardian's permission as well as the doctor's written directions. Medicine forms are available in the office and from the school nurse. All prescription medicine must be in its original pharmacy bottle. You may obtain an extra labeled prescription container at the time you fill your child's prescription - usually provided free of charge by your pharmacy. All over-the-counter medicine must come to school in its original container and be age-appropriate. All medication is to be brought to school by an adult. Do not send medication on the bus with your child. The safety of your child and others is our first consideration. **It is imperative that you inform the school in writing of any special health concerns in relation to your child (i.e. allergies, asthma, etc).**

#### **27. PEDICULOSIS (HEAD LICE):**

It will be the responsibility of the school nurse, principal or assistant principal to notify parents in the event a child has head lice. Parents must pick the child up immediately from school. A student excluded from school for head lice is expected to be treated and back in school ***within one full day following exclusion***, unless a note from the Doctor/Health Department deems it necessary to be out longer. The school nurse will inspect the student prior to returning to the classroom. Evidence may be required showing proof of treatment.

#### **28. ACCIDENT INSURANCE PLAN**

An accident insurance plan is available to all students. Participation in the plan is optional and based on the evaluation of individual insurance needs. The plan is offered to provide insurance coverage for injuries incurred by a student at school. Information regarding this insurance will be sent home the first day of school with all students.

#### **29. GROWTH AND DEVELOPMENT CLASS**

Fifth grade students will be taught human growth and development as required by the State of Tennessee. **Parents must make a request (in writing) if they do not want their child to attend this class.**

#### **30. CUSTODY RESTRICTIONS**

The school is interested in the welfare of every child and will seek to protect a child in all ways possible. We realize there are difficult situations that in some cases result in one parent placing a custody restriction on another. **IF THERE ARE CUSTODY RESTRICTIONS THAT SCHOOL OFFICIALS ARE TO ABIDE BY, IT IS THE RESPONSIBILITY OF THE PARENT**

**TO PROVIDE THE SCHOOL WITH A COPY OF THE COURT ORDER.**

**31. PHYSICAL EDUCATION**

All students are expected to take and participate in PE classes twice per week. Students will be required to wear proper shoes while in gym class. Any student who cannot take PE due to medical reasons should bring in a signed note from the parent. The school reserves the right to require a doctor's statement for any student who does not participate in physical exercise on a regular basis.

**32. USE OF SCHOOL PHONE**

Charlotte Elementary School provides a telephone to be used for school business matters. Student access to this phone is limited. Therefore, it is essential that students know where they should go each afternoon. Students will not be permitted to make calls for forgotten books, homework, lunches, etc.

**33. MESSAGES**

It is strongly recommended that messages be handled prior to the beginning of the school day. Interruption of classes will be held to a minimum. **\*\* Parents who need to get a message to their child should call the office prior to 2:00.** Teachers will not be pulled out of instructional time to take phone calls. All phone messages for classroom teachers will be placed in their school mailboxes. Please make a note of the classroom teacher's planning time as this will be the best time to call.

**34. CES SCHOOL LUNCH PROGRAM**

Charlotte Elementary School acknowledges that the better nourished student generally will have better attendance, be more attentive and have more energy to complete school-day activities. The goal of the school lunch program is to provide high quality, nutritious breakfasts and lunches to all students in school, commensurate with the family's ability to pay. Eligible students can receive meals free or at a reduced price. To qualify for free or reduced meals, a family must complete an application form available throughout the year at the Child Nutrition Office or the school office. The district follows strict nondiscrimination rules to protect the anonymity of students receiving free or reduced meals.

Lunch money will be placed in the student's lunch money envelope and will be taken to the cafeteria. If the student is absent, credit will be given on the next week's lunch. Parents are encouraged to pay lunch and breakfast monies on Monday mornings. **All questions concerning lunch money should be directed to the cafeteria manager, Bettie Gibson at 740-5810.**

**According to School Board policy there will be no breakfast meal charges.** Students will

be allowed to charge one lunch meal. When a student charges a lunch, he or she will be given a note to take to their parents. **This charge must be cleared before the student can charge another lunch in the cafeteria.** Students with outstanding lunch charges may be provided with an alternative lunch option consisting of a peanut butter and jelly sandwich and milk.

Some students prefer to pack their lunches from home. The CES cafeteria has four microwaves available for student use. Please note that students who pack their lunches (and require the microwave for heating) sometimes have less time to eat than those who bring ready-to-eat meals. It should be noted that students are not permitted to bring glass bottles or jars in their lunch boxes for safety reasons. Also, to promote healthier lunch choices, students are not allowed to bring sodas for lunch. Juice boxes, bottled water, or milk are preferred choices. Parents are encouraged to visit the school to have lunch with their child. Please be mindful of the space available at your child's lunch table.

**2014-2015 Breakfast and Lunch Prices**
